NEW EXCLUSIVE FABRICS

Yilawurra Dhiyala Bilabang
"Camped by a Billabong"

Nicole Taylor - BFX Indigenous Artist

Gariiba Ganyardi
"Tides Coming Together"

Shara Delaney - BFX Indigenous Artist

“

The story of a man who came through the country running from trouble. The country watched him and kept him company. The large element is the billabong with people around it. You can see the emu track leading to it.

“

This artwork reflects connection, inclusion and the nurturing of relationships within community. The circular elements are the communities and gathering places and the lines are the pathways and relationships connecting them.
