Who are LivCor?

We deliver and supply high quality first aid and wellbeing training, trainer products, medical devices, (such as defibrillators), publications, educational models and courseware.

Our trainers are engaging, from a wide range of career and life backgrounds.

Now in our 35th year of delivering this training, we have unrivalled experience in quality CPR & First Aid; delivered at the highest quality and always in line with compliance.

We are proud to be at the service of ASCA and it's members for another year in 2023.
