

EP Learning Suite

Humanising Technology for Lifelong Learners

EP is dedicated to reducing teacher workload and improving student engagement. We exist to help you create better learning outcomes! Our EP platform includes:

Teacher Support

Remodelled knowledge base
and live dashboard chat

Record Feedback

Increasing differentiation
while saving time

Text-to-Speech

Making all learning materials
more accessible

Peer Review

Incorporating student feedback
to promote deeper
understanding and higher-level
responses

Assessment Builder

Ability to create your
assessments faster

Differentiation

Targeted remediation
provides individualised next
steps for each learner
