

Essential**Assessment**

An Education Perfect company

# Unlock Student Potential

Through Curriculum-Aligned, Assessment-Led Learning

**Essential Assessment** fully aligns with the Australian Curriculum, New South Wales Syllabus, and Victorian Curriculum to support personalised learning, streamline reporting and track progress effectively.

## Discover Student Knowledge

- Administer flexible online or printable pre-assessments in Maths and English
- Identify strengths and learning needs with curriculum-aligned assessments
- Choose from pre-built assessments or create your own

## Design Personalised Learning

- Access real-time data and insights to inform instruction
- Provide immediate feedback based on formative assessment data
- Adapt teaching to address the diverse needs of each learner

## Drive Student Centred Assessment

- Implement a growth-focused, assessment-first approach
- Use consistent, data-led reporting to measure student growth
- Leverage year-on-year data to support decision-making and whole school improvement

## Embrace Effective Assessment

Join the **2800+ Australian schools** using **Essential Assessment** to track and measure Primary Maths and English growth.
