Design and size may change without notice as improvements are made to our products. If sizing is critical, please check with BFX before ordering. Colours are reproduced and are subject to the usual tolerances of the printing process. Fabrics, finishes and accessories are used for photography purposes only. Every care has been taken to prevent printing errors, however if errors have occurred you will be notified at the time of ordering.

This brochure contains some products that may be unavailable under the NSW Government Office and Education Furniture Contract.
