# WHO WE ARE

Gym and Fitness began as a family-owned venture with a clear vision: to be unparalleled in the fitness industry by supplying top-notch gym equipment at unbeatable prices. From our humble beginnings, we've evolved into one of Australia's leading fitness equipment retailers. Our commitment goes beyond just selling gym equipment; operating from our Gold Coast Warehouse, we strive to offer the finest products and services, ensuring that our customers lead longer, happier, and healthier lives. As we present our school gym fit-out solutions, know that you're partnering with two decades of excellence and dedication.

# ELEVATING SCHOOL FITNESS SPACES

Recognising the pivotal role of fitness in holistic student development, our mission at Gym and Fitness is to seamlessly integrate state-of-the-art gym equipment into school environments. We understand the unique challenges and needs of educational institutions, and our tailored solutions reflect this expertise. Prioritising safety, durability, and budget-friendly options, we are dedicated to enhancing the athletic experiences of your students. Our commitment goes beyond just equipment; we aim to simplify the fit-out process, ensuring that your school's fitness space is both inspiring and functional.

# BUDGET FRIENDLY SOLUTIONS

1

**Competitive Pricing:** We offer market-leading prices, ensuring you get top-quality equipment without straining your budget. Easy-to-read quotes included.

2

**Education Discounts:** Enjoy special discounts tailored for educational institutions, making fitness solutions more accessible for schools.

3

**Value for Money:** Our products promise longevity and performance, ensuring every dollar spent translates to lasting value in your gym space.

4

**Clear Options:** Our dedicated sales team will present multiple product options, outlining the pros and cons of each. This ensures you make an informed choice tailored to your school's needs, with the flexibility to adjust as desired.

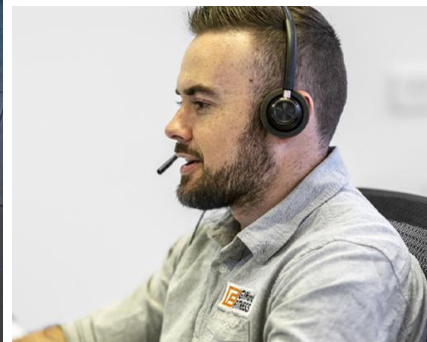

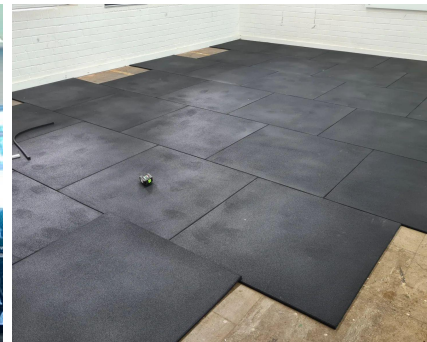

# COMMUNICATION AND SUPPORT

We prioritise transparent communication as the foundation of our relationship. With comprehensive warranties on all equipment and accessible communication pathways, we're here to guide and support you at every turn.

**Trustworthy Warranties:** Every piece of equipment comes with a solid warranty. You can count on our product quality.

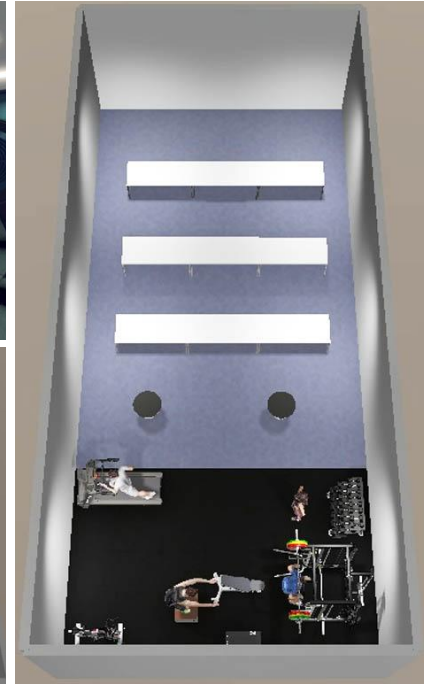

**On-Site Support:** Our dedicated Spare Parts and Warranty Centre is always on standby for any needs.

**Nationwide Assistance:** Service techs available across the country for quick installations and servicing.

# TAILORED DESIGNS: 3D VISION

Visualise your dream gym space with our complimentary 3D rendering service. Eliminate uncertainties and ensure satisfaction even before the setup begins. Our seasoned team specialises in optimising floor space for a functional gym layout tailored for schools. Harnessing advanced design software, we bring your gym vision to life, ensuring every detail aligns with your school's needs.

# CASE STUDIES

**Marsden State High School, Queensland:** Renowned for its emphasis on sports and health since 1987, Marsden High sought to elevate its sporting culture. Gym and Fitness stepped in, designing a functional training area tailored to students' strength and cardio needs, ensuring they had the optimal space for their athletic activities.

**Picton High School, South West Sydney:** Aspiring to have a state-of-the-art training facility for its emerging athletes. Picton High now boasts equipment comparable to commercial gyms. From Ski Trainers and Air Rowers to a comprehensive strength section equipped with a 6-cell rig, students can access high-quality tools supporting their journey towards healthier lives.

# CASE STUDIES

**Jamison High School, South Penrith:** Prioritising physical education, Jamison High collaborated with Gym and Fitness to elevate their gym facilities. We handpicked a range of equipment, from dynamic Spin Bikes to the multifunctional Force USA All-In-One Trainer, ensuring students had diverse workout options.

**Gilroy Catholic College, Castle Hill:** Challenged by limited space at Gilroy Catholic College, our approach was a blend of innovation and efficiency. We laid down high-impact rubber tiles for safety and swapped old equipment for space-saving gear, including the All-In-One Trainer. Modern cardio additions like Treadmills further enriched the space. The result? An optimised fitness hub, enhancing PE experiences for both staff and students.

# TESTIMONIALS

*"The wide range of equipment that we were able to purchase was a major reason why we used Gym and Fitness and we have been extremely pleased with the quality of the equipment we have purchased, particularly when compared to similar products from other distributors." - Assistant Principal, Unley High*

*"Best pricing and range of equipment" - Team Leader, Xavier Catholic College*

*"Made the installation and set-up process super easy" - Head of PDHPE, Southern Cross School of Distance Education*

*"I was contacted pretty much straight away by someone just to talk through what I selected and if I needed any further help. Their prompt communication and willingness to assist showcased their exceptional customer service, making the experience seamless." Head of P.E, Mareeba State High*

*"Made the installation and set-up process super easy" - Head of PDHPE, Southern Cross School of Distance Education*

*"Best quality at a great price" - P.E Teacher, Picton High School*

*"One of the better suppliers in Australia... Really easy process" - Business Support officer, TAFE QLD*

# COMMERCIAL QUALITY BRANDS
